RE: Graham Clark

It is with great sorrow that I must inform you of the untimely death of Graham Clark on Thursday August 13, 2009. We will all miss his leadership, his engineering and business skills, and his special Scottish humor. We are all better for having known and worked with him. Graham joined the company in 2001 and has served as President since September of 2003. Graham leaves behind his wife and three children.

Until we can find a suitable replacement, I will become more involved in the day to day operation of the company. Thank you for your support during this difficult time.

Cards can be sent to Graham's wife Nan and his three sons Bruce, Cameron and Gordon at:

The Clark Family
15449 N. Cabrillo Drive
Fountain Hills, AZ 85268

The family has requested donations to the American Heart Association in lieu of flowers.
